

**REMARKS**

Applicants thank the Office for the indication that Claims 1, 5-14, and 16-25 have been allowed.

Claim 26 has remained rejected under 35 U.S.C. § 101 as being directed to non-statutory subject matter. Applicants thank the Office for the suggestion for overcoming the rejection by changing the claim language to include computer readable instructions which cause a computer to execute said stored application. In view of the amendments, Applicants respectfully request reconsideration and allowance of Claim 26.

In view of the foregoing, it is respectfully submitted that the claims of record are allowable and that the application should be passed to issue. Should the Examiner believe that the application is not in condition for allowance, the Examiner is requested to contact Nathan Witzany at the phone number below.

Respectfully submitted,
